No country's leaders have made more ruthless
threats ^{than US} (even when our ^{or potent. similar} survival was not
at stake) or prepared to carry them out
(plans, deployment, procurement, training, alert,
dilettante)

new preps, plans, threats

of CW US? "Difference from Hitler: not a desire to expand
of mil. power [except NOW: PNAC, Bush
= Hitler]

though not against comparable
powers (Najis or superior
& tactics): France, (UK), SO,
(US)

reliance on threats (and CA)

(like Hitler in 30's: Czechs)

which are seen by (US) public as legitimate
instruments, even when grossly disproportionate.
